Facility Use Guidelines

Assign Tasks

a. Which cannot be accomplished as well via contract due to

- (1) Security
- (2) Time
- (3) Cost [REDACTED] not excluded from completing)
- (4) Nature of task

- (a) Simulation facility requires intimate OEL control/use
- (b) Feasibility C. O. by OEL engineers
- (c) Special training

Objective - to extend OEL capabilities in ELINT development areas

Non-Objective - government operation competitive with existing industrial capability - also "non-objective" to have agency "captured" by facility.

Sole ^{ing}source to avoid spec is N. G.

Task must be consonant with long term staffing - 10 no 6 spec x 6 mo.

25X1A

[REDACTED] not to obtain "special favor" by inside position; i. e., write spec and do work.

Reston can obtain special favor because part of OEL.
